Environmental Health

Meet the Experts: Environmental Health

Name: _____

Directions: Put a check mark (✓) in the column "My Career Goals" beside the characteristics of the kind of a career you want. Select three experts and listen to them talk about their careers. Write their names on the chart. Put check marks next to the career characteristics they mention. Finally, rate each person's career on a scale from 0 -10 as being a perfect match (10) or not a match at all (0) for the kind of career you want to pursue.

Career Characteristics	My Career Goals	Expert 1: _____	Expert: _____	Expert 3: _____
A job people consider important				
A job where you were a team leader				
A job where I would make my own decisions				
A job where I am expected to offer new ideas				
A job where I could help a lot of people				
A job where I could work with friendly people				
A job with a high salary				
A job that assures me I won't be laid off				
A job where I would interact with a lot of people				
A job where I would use a lot of technology, such as computers				
A job where I could be creative				
A job where I would travel a lot				
A job where I could get the feeling that I had accomplished something				
A job where I would be challenged to go further
